In accordance with the San Mateo County Event Center's duty to provide and maintain a facility that is free of known hazards, we are adopting this policy to safeguard the health of our board members, employees and their families; our customers and visitors; and the community at large from infectious diseases, such as COVID-19, that may be reduced by vaccinations. This policy will comply with all applicable laws and is based on guidance from the Centers for Disease Control and Prevention and local health authorities, as applicable.

### POLICY

All members of the Board of Directors are required to be fully vaccinated for COVID-19. For purposes of this policy, a board member is considered fully vaccinated if they meet current CDC recommended vaccination guidance.

Board members must provide proof of vaccination to the SMCEC upon appointment by the Board of Supervisors.

Board Members should contact the Board president with any questions or concerns.
