## **JOCKEY CLUB SURVEY MOVING FORWARD**

**Thank you for filling out the survey regarding your Jockey Club experience.**

**Overwhelmingly patrons support that only fully vaccinated people can attend the Jockey Club, and they do not need to wear a mask. This policy will continue.**

**In addition, we have heard your concerns about food, additional days of operation, new TVs, the Turf Club, etc.**

**We will start by discussing food options with our Food and Beverage team.**

**Furthermore, we will introduce a new program starting in mid-May that provides **free admission to the Jockey Club after your 9th visit.** This program will be valid upon inception until the end of September. So please be on the lookout for loyalty cards next month.**

**Thank you for your time!**
