BOOTH REGULATIONS

➤ Presentation

We have worked hard to establish and maintain commercial vendor space design and presentation parameters that will create a festive yet professional atmosphere for our fairgoers. Your adherence to these guidelines is vital to the continued quality environment of the San Mateo County Fair. There is an established and defined difference between a Swap Meet or Flea Market and a County Fair. Set-ups and/or displays that resemble those found at a Swap Meets or Flea Markets will **not** be allowed and will be required to conform to San Mateo County Fair standards. The San Mateo County Fair reserves the right to determine what an appropriate display is.

○ Inside

All in-line and corner booths located in Fiesta Hall will be finished with back draping and three-foot side drapes, at no charge. Drapery, including side drapes should not be altered or removed by any vendor for any reason. If your set-up does not allow for drapery, you must contact the Fair Staff to request alterations or removal of the drapery either by May 6th, 2026. If changes need to be made during set-up, changes must first be approved by Fair Management. Fair Staff will alter, remove and/or store all drapery and equipment. Please refer to diagram →

○ Outdoor

All outdoor vendors are required to be in a canopy tent. The Fair will provide canopy tents with back walls and half side walls (unless otherwise noted) as well as individual lighting. Structure may be determined by location and size of booth. Outdoor booths must not exceed 12 feet in height. Any variance must be approved in writing by the Commercial Vendor Office Staff. "Pop-up" and "E-Z up" tents are not allowed.

➤ Set-Up/Break Down

- Vendors are solely responsible for the set-up and breakdown of their booths. Fair staff is not available to help. Equipment including but not limited to: fork lifts, dolly, push cart, tools, etc., will NOT be provided. Vendors must come FULLY self-prepared.

- **Dates for set up:** **Wednesday, June 3, 2026**
Thursday, June 4, 2026
Friday, June 5, 2026

- **If you arrive after 10:00 AM on opening day of fair you will NOT be allowed to set-up and will need to wait until the following morning to set-up.**
- Commercial Vendors are responsible for providing all other necessary furnishings, including *tables, tablecloths, chairs, carpet, wastebaskets, or any other special exhibit items you require for a professional set-up*. All materials must be fire retardant with final approval resting with the Fire Marshal or Fire Inspector.

➤ Restrictions

- Hanging structure counts as your display and CANNOT go over the regulated height of eight feet.
- Objects pin or attach, in any way, to the draperies.
- Unfinished walls exposed to public view.
- Booth space modules or furniture that are not newly refurbished.
- Booth display extending beyond the contracted space.
- Containers used for collecting tips. The San Mateo County Fair will confiscate tip jars and the contents will be donated to the San Mateo County Fair.
- Unless extra space was contracted and paid for, vendors are not allowed to utilize any space behind or around their marked booth area for booth or storage purposes.

➤ Appearance

- Commercial Vendors are entirely responsible for the maintenance and attractive condition of assigned space. Space must be cleaned and put in attractive condition prior to the official opening each day of the Fair. All storage of supplies, boxes, or cases must be kept from the view of the public. Commercial Vendors and Food Concessionaires may be asked to submit a detailed picture or diagram of the proposed booth or stand with the application.

➤ Lighting

- Use of LED lights is preferred due to brightness and low radiant heat. **NO** halogen lights permitted.

➤ Signage

- **ALL SIGNS MUST BE PROFESSIONALLY MADE**. Handmade or other non-professional, cardboard, paper, and/or unfinished signs exposed to public view are not allowed. Signs are not to extend over the height of the indoor back drape, which is eight feet high. No signage on top or above any booth, tent, or canopy will be permitted. The San Mateo County Fair reserves the right to relocate and/or remove any sign if deemed necessary.

➤ Sound

- All microphones and music are subject to approval by the San Mateo County Fair and will be controlled so they do not interfere with the public or your neighboring exhibitors and concessionaires. Please be considerate of your neighbors and do not yell or call out to fairgoers to cross the aisle.

BOX OFFICE

The San Mateo County Fair box office is located by the Fair Administration Office at **2495 South Delaware Street** and at **Gate 7 in the East Lot**.

C

CANCELLATION

30 day cancellation notice required. Any cancellation within 30 days of fair will result in LOSS OF PAID FEES.

*please note: your deposit is NON-REFUNDABLE

CDTFA

If you are a retailer, who makes sales of tangible personal property (merchandise) located on the real property of a California state-designated fair (“state-designated fairground”), you must separately state the amount of those sales on your California Department of Tax and Fee Administration (CDTFA) sales and use tax return. The separately reported amount will be used for funding allocation purposes only. There is no additional tax or fee due on these sales.

For more information

To learn more about this reporting requirement, visit the CDTFA’s Reporting Requirement for Sales on State-Designated Fairgrounds guide at www.cdtfa.ca.gov/industry/state-fairgrounds.htm. You may also call the CDTFA Customer Service Center at 1-800-400-7115 (TTY:711). Customer service representatives are available weekdays from 8:00 a.m. to 5:00 p.m. (Pacific time), except state holidays.

CLEANLINESS

We take pride in keeping a well-kept appearance. The San Mateo County Fair provides janitorial service for aisles in the buildings and areas used by the public throughout the grounds. However, **it is up to you to maintain a clean booth** or stand that is always clear of debris. You are also responsible for the service, maintenance and landscaping of your assigned space. If you find an area on the grounds that appears to have been overlooked by our janitorial staff or simply does not have enough trash cans in that particular area, please let the Commercial Vendor Office Staff know as soon as possible.

Upon load-out, please leave your booth space in the condition it was when you arrived!

CONDUCT AND APPEARANCE

Vendors and Concessionaires shall be solely and absolutely responsible for the conduct and personal appearance of all booth personnel. All personnel must be neatly dressed, orderly, and polite in their conduct and speech at all times. Intoxication, use or possession of any controlled substance, or impolite, discourteous or obscene speech or conduct toward or in hearing range of the public shall be sufficient grounds for immediate termination of the right and privilege to do business with the San Mateo County Fair.

All Commercial Vendors will refrain from mentioning their competitors or their competitors’ products in a derogatory manner or in any other way disparaging another vendor who is also participating in the Fair. Also, all aisle space is under the control of the Association and shall not be used for exhibit, demonstration or selling purposes.

Violations will be taken into consideration when reviewing applications for future San Mateo County Fairs. Employees of Food Concession Stands should be dressed in uniform with company logo or closely matching clothing such as t-shirts, shorts, aprons, or hats/visors.

CREDENTIALS

Outdoor Commercial Vendors will receive a limited number of **Daily Admission/Parking Passes**, which allow entrance and parking for the duration of the Fair, at no cost and may only be used by **employees reporting to work**.

Allocation of additional admission will be determined based on need, number of employees, booth size, and past ticket counts if applicable. Remember, these admission tickets and parking passes are for employees ONLY. Any exhibitor caught selling tickets or giving away tickets for their personal use will not be asked to return to the Fair. Please inform your on-site staff.

- **Purchasing Additional Passes**

If you miss the deadline and still need additional admission, you MUST purchase them. Vendors and Exhibitors requiring additional daily admission passes for employees only, may purchase them from the Vendor Office at a discounted rate of **TBD \$5.00 per daily admission pass** and **\$50 \$40.00 per season daily parking pass**.

Please know requests made during Fair may not be granted because the number of complimentary admission tickets and parking passes are limited and are no longer created for the use of Commercial Vendors.

CUSTOMER RETURNS

All Vendor Return Policies must be clearly posted in your booth for customers to see. Guests that need to return to the Fairgrounds to return items purchased at the San Mateo County Fair may do so by making arrangements through the Commercial & Concessions Office. The Commercial & Concessions staff will make the necessary admission and parking arrangements to ensure that the fairgoer is allowed re-entry at no personal cost. Any costs associated with admittance and parking may be charged back to the Exhibitor. Do not use your admission credentials for customer returns.
